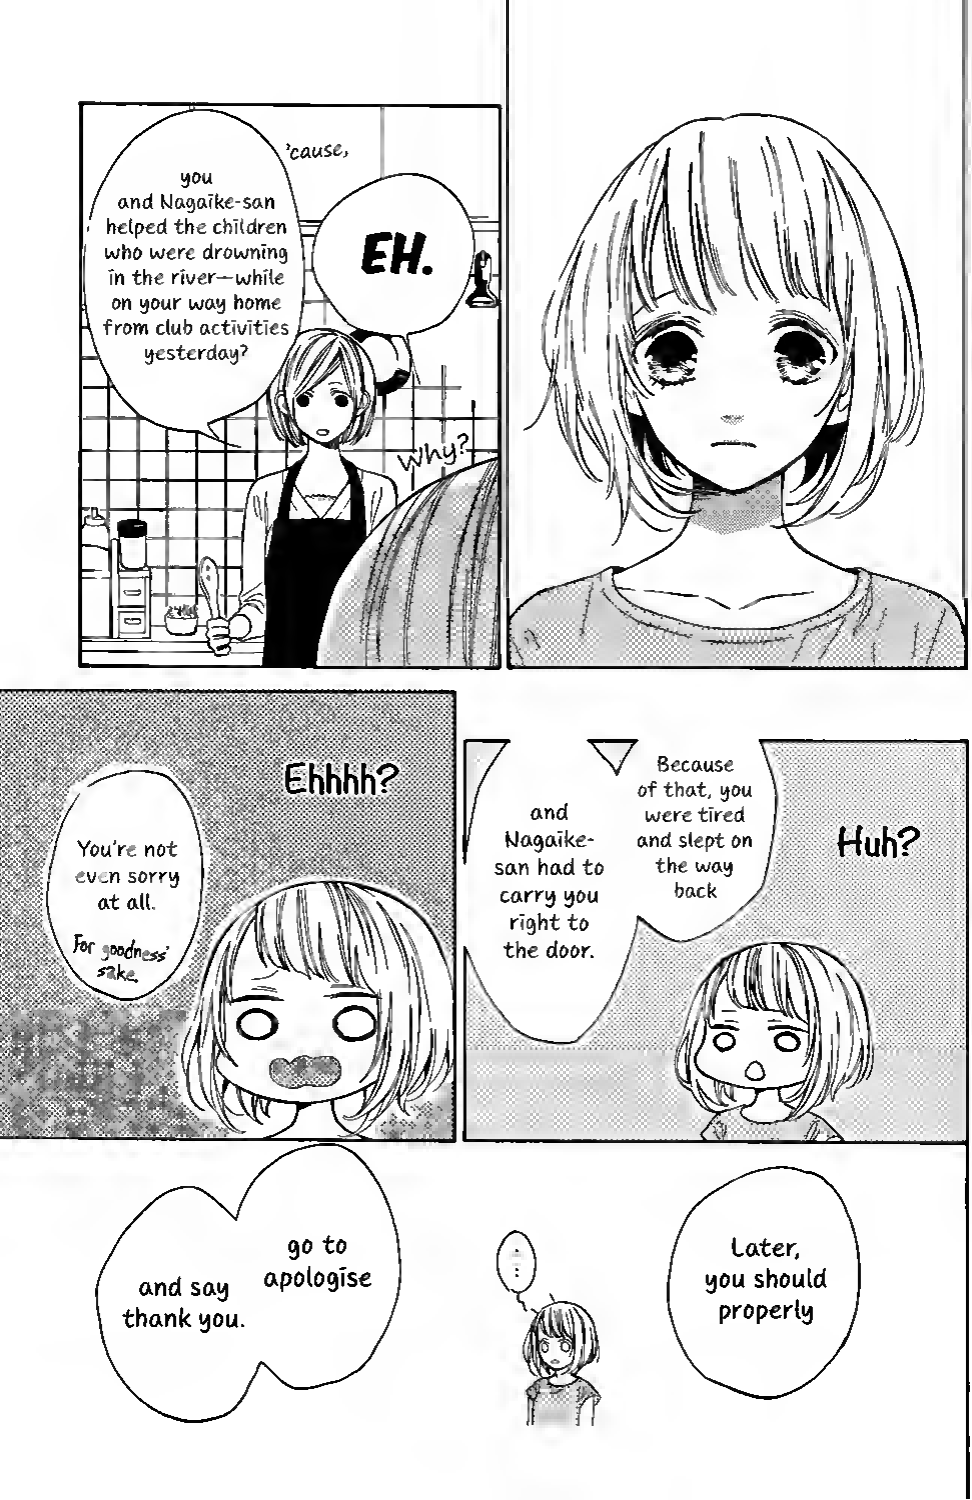
...
Ah, that's right. The Art Club's sketch excursion was yesterday.

how did I get back?
Our neighbour Nagaike-san carried you home.



'cause,
you and Nagaike-san helped the children who were drowning in the river—while on your way home from club activities yesterday?
EH.
Why?
Ehhhh?
You're not even sorry at all.
For goodness' sake.
Huh?
and Nagaike-san had to carry you right to the door.
Because of that, you were tired and slept on the way back
and say thank you.
go to apologise
Later, you should properly

Kyaaaa!
No way!
Well, you're the one who wanted to know.
As much as I would like to say I was the one,
it was Iku-chan who kissed me.

IT WAS TO ME.
So cute
IT'S NOT THE LEAST BIT FUNNY AT ALL!!
TREMBLE

Weeell, at any rate, in more ways than one, it was pretty hilarious to watch

'cause it's my first kiss.
That type of kiss doesn't count, anyway.
EVEN THOUGH IT DOESN'T COUNT, I STILL DON'T LIKE IT!

NO, THANK YOU.
Then... should I... do it one more time?

Ahahaha
'cause you're in the basketball club You're skilled in ball control (lol)
The way I scored the goal was super skillful-
No, my feet are super lucky...

I don't want to when the Festival Advisors are fired up They're quite rough

You see right now, the manga society is drawing a piece for the club magazine.
Ah, I'm part of both the art club and manga society, though
The visual image of the two main characters fits you two perfectly.

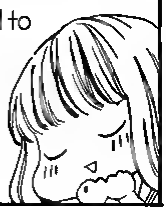
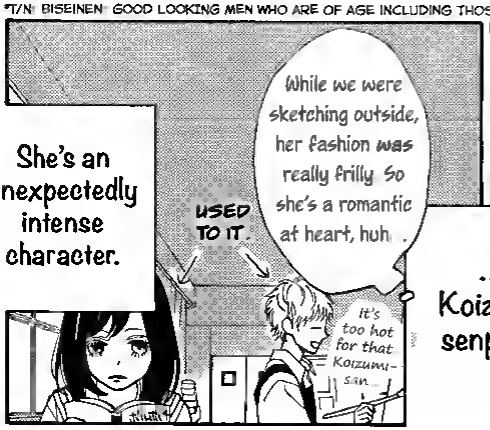
表紙&巻頭カラーに最新KC記念の全フレ企画!「私がモテてどうすんだ」ちゅん子 別フレ7月号は6月13日発売

The male protagonist, a raven haired biseinen* (Nagaike-kun), misses his dog (Saijou-san) who sadly died 3 years previously. But one day, a girl who claims to be his dog appears before his eyes. In reality, the dog begged God to give them some limited time together as humans. Gradually, the distance closes between the two but sadly, there exists a huge barrier whereby the girl will disappear if she kisses the person she's in love with.



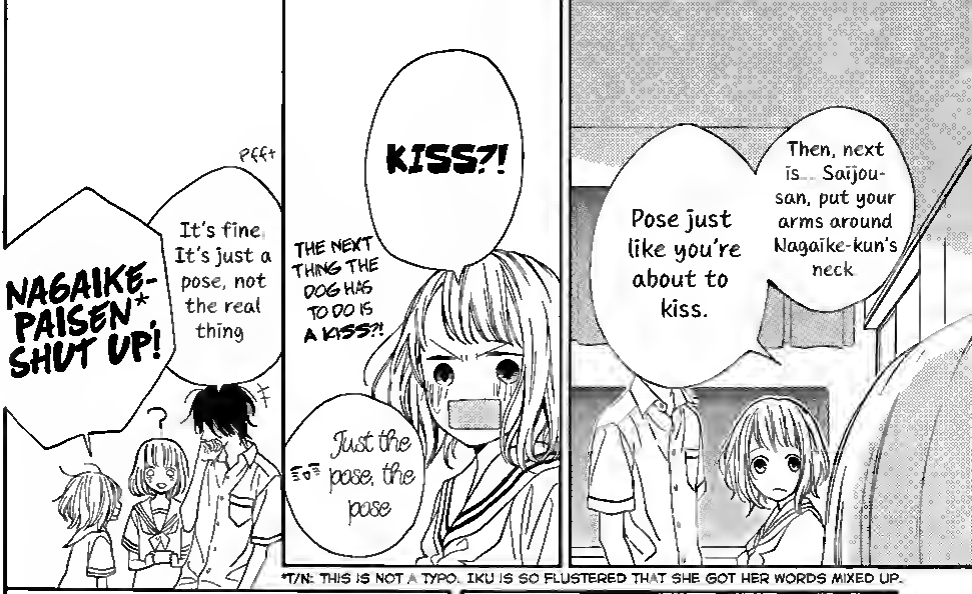
*T/N: BISEINEN: GOOD LOOKING MEN WHO ARE OF AGE INCLUDING THOSE WHO HAVE ENTERED OR COMPLETED TERTIARY EDUCATION



While we were sketching outside, her fashion was really frilly. So she's a romantic at heart, huh.
USED TO IT.
It's too hot for that Koizumi-san...

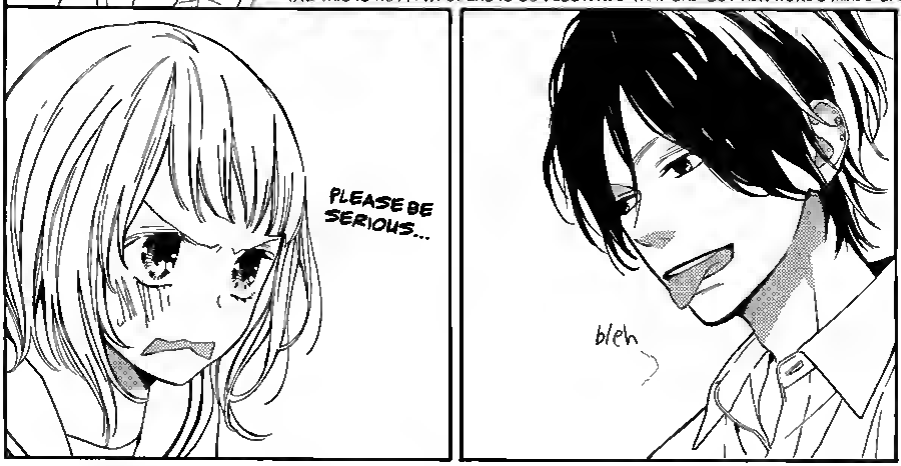
She's an unexpectedly intense character.

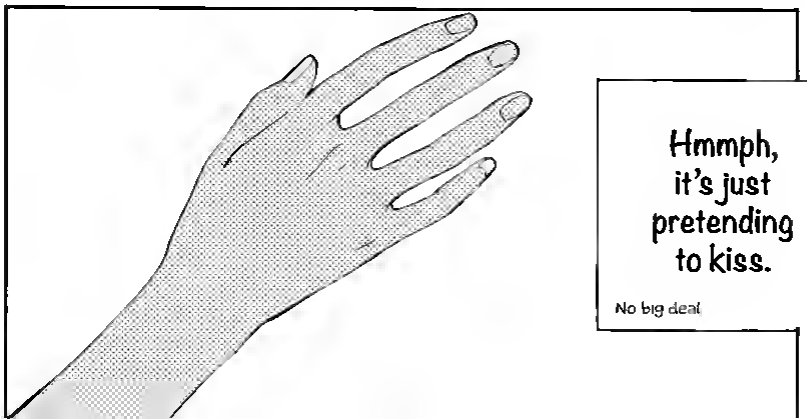
...Koizumi-senpai...



Then, next is... Saijou-san, put your arms around Nagaike-kun's neck.
Pose just like you're about to kiss.
KISS?!
THE NEXT THING THE DOG HAS TO DO IS A KISS?!
Just the pose, the pose
It's fine. It's just a pose, not the real thing
pfft
NAGAIKE-PAISEN* SHUT UP!

*T/N: THIS IS NOT A TYPO. IKU IS SO FLUSTERED THAT SHE GOT HER WORDS MIXED UP.





What's this?
